

W-P PTO

As we all get ready to return to school please join the Parent Teacher Organization (PTO). Your membership dues are used to plan events for your children both during and after the school day and they also provide additional resources for your child's teacher.

Dues are \$5.00 per person. More than one form is provided incase more than one adult in your household would like to support the activities provided by PTO. Thank you for your support and please feel free to share your ideas, time and talents with the PTO! Find out more at www.woodstown.org.
